Welcome Ox Bow Tenants and Guests:

On behalf of Ox Bow Marina, we would like to thank you for making us the home port for your boat. Welcome to your new home!

We invite you to take advantage of all the amenities offered at Ox Bow Marina, from our complimentary Champagne breakfast on weekends to our private swimming pool, launch ramp and everything in-between. Please feel free to enjoy the many barbeque areas throughout our well maintained grounds. We are sure you will enjoy socializing with many of our long-time and friendly tenants.

Our fuel dock offers diesel and regular and supreme grades of gasoline. It is open from 8:30 a.m. to 4:00 p.m. seven days a week. The Ox bow Marina office is open seven days a week from 8:30 a.m. to 4:30 p.m. (closed only on Thanksgiving Eve, Thanksgiving Day, Christmas Eve, Christmas Day, New Year's Eve and New Year's Day). Our office has a video lending library, snacks, beer, wine, soft drinks, clothing, miscellaneous items and fresh bait.

The private launch ramp is located next to the marina office. The ramp is free to Ox Bow berthers and can be accessed 24 hours a day by using your berth shed key. There are two sewage pumpout stations and a porta potty dump station located on the Fuel Dock.

In October 2017, the Ox Bow Marina Mutual Water Company completed a \$4.3-million-dollar State of California Grant to replace all water lines at Ox Bow Marina and connect to the California American Water Filtration Plant in Isleton. This now gives the boaters and homeowners at Ox Bow Marina the best drinking water in the Delta! Ox Bow Marina drinking water is highly filtered and is free of arsenic, copper, nickel, lead, nitrates, other minerals, hard metals and pollutants that plague many Central Valley Water Systems.

Our friendly and knowledgeable staff is here to assist you and make your stay with us as pleasurable as possible.

Once again, welcome and thank you for choosing Ox Bow Marina!
